## Instructions for Completing Application for Registration of Fictitious Name

- Section 1:**
- Line 1:** Enter the name as you wish it to be registered. A fictitious name may not contain the words "Corporation" or "Incorporated," or the abbreviations "Corp." or "Inc.," unless the person or business for which the name is registered is incorporated or has obtained a certificate of authority to transact business in this state pursuant to chapter 607 or chapter 617 Florida Statutes. Corporations are not required to file under their exact corporate name.
- Line 2:** Enter the mailing address of the business. This address does not have to be the principal place of business and can be directed to anyone's attention. **DO NOT USE AN ADDRESS THAT IS NOT YET OCCUPIED. ALL FUTURE MAILINGS AND ANY CERTIFICATION REQUESTED ON THIS REGISTRATION FORM WILL BE SENT TO THE ADDRESS IN SECTION 1.** An address may be changed at any future date with no charge by simply writing the Division.
- Line 3:** Enter the name of the county in Florida where the principal place of business of the fictitious name is located. If there is more than one county, list all applicable counties or state "multiple".
- Line 4:** Enter the Federal Employer Identification (FEI) number if known or if applicable.

- Section 2:**
- Part A:** Complete if the owner(s) of the fictitious name are individuals. The individual's name and address must be provided.

An FEI number must be provided or the appropriate box must be checked.

Owners listed in Part B must be registered with the Division of Corporations or provide documentation as to why they are not required to register. Examples would be Federally Chartered Corporations, or Legislatively created entities.

Additional owners may be listed on an attached page as long as all of the information requested in Part A or Part B is provided.

- Section 3:** Only one signature is required. It is preferred that a daytime phone number be provided in order to contact the applicant if there are any questions about the application. Since the Department indexes fictitious names on a central database available on the internet, it is no longer required to advertise the intention to register a fictitious name.
