Subject: Dockets 030231, 030587, and 030588

These are IXC-related dockets. The first is a name change, the second is a cancellation, and the third is an application (registration). I am changing the titles of all three dockets to reflect new terms under the changed law.

Please let me know if questions.

Kay

P.S. Sandy, I have made the changes.
