Sid I have attached a referee request by Home Depot. These meters should not be included with any other 1V meters on the Docket. We are not under the same agreement with FPL on the protocol for Home Depot at this time. The file I have attached is a fax, I have duplicated the accounts in this email for you so you will have clear text to identify each.

Customer Name of record: Home Depot USA Inc.
 Utility Company: Florida Power and Light Company

Customer contact information:
 Energy Analysis: Madonna Wiley-Brown
 Phone: 770-384-3033
 Fax: 770-384-2392

Home Depot USA Inc. has engaged Southeastern Utility Services, Inc. to audit our utility needs and will serve as our agent. It is my understanding that I have the option to have my meter tested by an independent testing facility. I am requesting the FPSC contact George Brown of Southeastern Utility Services, Inc. to coordinate timing for a meter change and testing. Mr. Brown can be contacted at 941-747-9503.

Sincerely,

A handwritten signature in cursive script that reads "Madonna Wiley-Brown".
