Dear Ms Brady

Ms Gervasi advised me to write to you regarding the few little items we still need for the completion of our application. To be able to obtain a title insurance as Ms Gervasi is requiering , I need an amount confirmed from the PSC. for how much the title insurance will be accepted . As soon as I will know the amount I will be able to order this document.

A second item would be an updated list of the utilities in our area. As to my knowledge we still will need the advertising for here we have your standard formula .Do we have to mail the announcement also to the home owner in the development, as right now they are the customers of Bonita Springs Utilities.Should some thing more come into your mind please let me know. This time we really intend to finnish what we have began.

Sincerely

J.Fritz Holzberg
