Tommy, the following IXC "registration" dockets, all opened after 5/23 and now closed, had \$250 filing fees deposited when the apps or registrations were received:

030478-TI
 030511-TI
 030528-TI
 030533-TI
 030570-TI
 030580-TI

If you agree it is appropriate to do so, we will start the refund process in each docket by sending an application for refund form to each company.

Do you agree?
