COMMISSION
CLERK

DATE: August 18, 2003
TO: Docket 030304-PU, Rule 14.014, FAC, Accounting for Asset Retirement Obligations Under SFAS 143
FROM: Marlene K. Stern, Senior Attorney *MKS*
RE: Rule Certification

On August 7, 2003, the certification for Rule 14.014, Florida Administrative Code was filed. The certification stated that SFAS 143 was incorporated into the rule by reference. This is incorrect. SFAS 143 is not incorporated by reference into the rule. John Rosner from JAPC will call the Department of State (DOS) and ask them to rescind the incorporation of SFAS 143 into the rule. DOS will simply publish the text of the rule. Mr. Rosner says that there is no action that anyone at the PSC must take.
