**AMENDMENT NO. 1 TO THE
INTERCONNECTION AND RESALE AGREEMENT
BETWEEN
INTERMEDIA AND SPRINT**

This Amendment No. 1 ("Amendment"), effective April 1, 2003, is entered into by and between Intermedia Communications, Inc. ("MCIIm"), a Delaware corporation and Sprint-Florida, Incorporated ("Sprint"), a Florida corporation (Sprint and MCIIm may be referred to individually as a "Party" and collectively as the "Parties").

BACKGROUND:

WHEREAS, the Parties entered into an Interconnection and Resale Agreement ("Agreement") dated March 1, 2002.

WHEREAS, the Parties now wish to amend the Agreement to include language that is consistent with 47 CFR §51.711(a)(3) and applicable state law reflecting the fact that the appropriate rate for MCIIm to charge Sprint for Local Traffic is the tandem interconnection rate if MCIIm demonstrates that its switches serve a geographic area comparable to the geographic area served by Sprint's tandem switches

NOW, THEREFORE, in consideration of the promises and agreements contained in this Amendment, the Parties agree as follows:

1. Section 2.4.2 of Attachment 4 – Interconnection, shall be amended to read:

2.4.2 When Sprint terminates calls to MCIIm's subscribers using MCIIm's Switch, Sprint shall pay to MCIIm transport charges from the IP to the MCIIm switching center for dedicated or common transport. Sprint shall pay to MCIIm the tandem switching charge when MCIIm's switch serves a geographic area comparable to the area served by Sprint's tandem switch. Sprint shall not pay to MCIIm the tandem switching charge when MCIIm's switch does not serve a geographic area comparable to the area served by Sprint's tandem switch. The rates MCIIm charges Sprint for tandem switching shall be symmetric with the rates Sprint charges MCIIm for tandem switching.

2. Section 2.4.2.1 of Attachment 4 – Interconnection is created to read:

2.4.2.1 Sprint will provide MCIIm information concerning the end offices served by Sprint's tandem for MCIIm to use in determining geographic comparability. MCIIm will provide Sprint with similar information concerning the geographic area served by MCIIm's switch to use in determining geographic comparability. MCIIm's switch will be deemed to

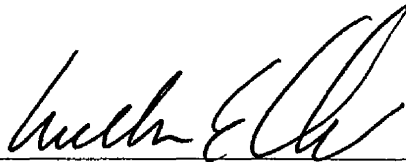

serve a comparable geographic area if (1) the area served by Sprint's tandem and the area served by MCIIm's switch are roughly the same size; (2) MCIIm has obtained NPA/NXX codes to serve the exchanges within the geographic area; and (3) MCIIm is serving the area using its own switch with its own facilities or a combination of its own facilities and leased facilities connected to its collocation arrangements.

3. Except as otherwise indicated, defined terms in this Amendment have the same meaning as in the Agreement.
4. Other than as set forth above, the Agreement remains unchanged and in full force and effect. In the event of a conflict between the terms of the Agreement and this Amendment, this Amendment will control.
5. This Amendment, executed by authorized representatives of Sprint and MCIIm, is made a part of and incorporates the terms and conditions of the Agreement.

IN WITNESS WHEREOF, Sprint and MCIIm has caused this Amendment to be executed by its duly authorized representatives.
