RE: Docket No. 030657-TX - R & D Network Services, Inc.

This docket was established on July 22, 2003, for nonpayment of the 2002 Regulatory Assessment Fee. On August 11, 2003, the Division of the Commission Clerk and Administrative Services notified me via memo dated August 8th, copy attached, that the Commission had received returned mail addressed to this company. I called the telephone number listed in MCD and a recording advised it had been disconnected. I then called Directory Assistance and told there was no listing for R & D Network Services.

Based on the above, please change the docket title to also reflect the Reporting Requirements violation. The docket title should read:

Cancellation by Florida Public Service Commission of CLEC Certificate No. 7913 issued to R & D Network Services, Inc. for violation of Rules 25-4.0161, F.A.C., Regulatory Assessment Fees; Telecommunications Companies and 25-24.835, F.A.C., Rules Incorporated.

In addition to changing the docket title, please document the returned mail in the docket file, and change Staff Counsel from Victor McKay to Linda Dodson. Let me know if you have any questions.
