Concise explanation, justification or comments (attach additional sheet if necessary):

The complainant has asked that this item be deferred and not taken up any earlier than December 1, 2003. Customer says he will not be in Florida until December and wishes to address the Commission in person. However, staff believes that a deferral of this length would not be appropriate. Therefore, staff recommends that the item be deferred, but not for the length of time requested. Staff further notes that the he utility has been sold to the City of Edgewater and the application for transfer is pending. General Counsel is OPR and CAF is OCR.
