III.

The ownership interest in Paradise Lakes Utility, LLC is currently held 100% by Paradise Lakes, Inc. Under the terms of a membership interest purchase agreement entered into between Paradise Lakes, Inc. and Larry and Janice DeLucenay dated April 25, 2002, Addendums thereto dated April 25, 2002 and June 23, 2003, and the Assignment thereof dated December 31, 2002, Paradise Lakes, Inc. will transfer all ownership interest in Paradise Lakes Utility, LLC to Buyer so that Buyer will own directly all of the ownership interest in the Utility. A copy of these agreements are attached hereto as **Exhibit "A"**.

IV.

The complete name and address of the Seller is:

Paradise Lakes, Inc.
P. O. Box 750
Land O'Lakes FL 34639-0750

V.

The complete names and addresses of the Buyers are:

Larry and Janice DeLucenay
1900 Land O'Lakes Blvd.
Suite 107
Lutz, FL 33549

VI.

The names and addresses of all of the Buyers, corporate officers, directors, and any other persons who will own an interest in the Utility is outlined below.

Larry DeLucenay - President

Janice DeLucenay - Vice President

Larry and Janice DeLucenay - 100% Ownership

VII.

The Buyers own an existing water or wastewater utility company (Mad Hatter Utility, Inc.) serving an area immediately adjacent to the area serviced by Paradise Lakes.

VIII.

Since this matter involves simply a transfer of ownership interest from an existing developer to two individuals for cash, no additional financing will be necessary.

IX.

The purpose of the transfer is to place the Utility ownership interest in the hands of two individuals who will provide full-time utility management and remove such ownership, operations and management from a company whose primary business and interest lies in property development and management.

X.

This transfer is in the public interest since it will place ownership operation and management of the Utility in the hands of an experienced full-time professional utility system operators that operate another utility immediately adjacent thereto and eliminate a small utility operation by an entity whose primary business is

property development and management. The Buyers' financial ability to provide service is clearly evidenced by its operation of a substantially larger system for over 18 years and in the long run possible consolidation of some aspects of operation and management. The Buyers will fulfill the commitments, obligations and representations of the Seller with regard to the Utility matters. The Buyers will obtain any needed funding of Utility operations through the capital sources utilized by the other larger utility system which they own. A balance sheet for the Buyers' other utility system is attached hereto as **Exhibit "B"**.

XI.

Larry and Janice DeLucenay in conjunction with Mad Hatter Utility, Inc. will provide any and all needed funding to Paradise Lakes Utility, LLC as and when needed. While there are no immediate capital needs anticipated for this currently operating utility system, the Buyer has an existing utility system with a net worth of over \$1 million which renders it more than capable of providing any needed infusion of capital for the Paradise Lakes system through either debt or equity, to the extent such capital is ever needed.

XII.

The Buyers have performed several inspections and are fully aware of the condition of the Utility system and are satisfied that

the Utility system is in satisfactory condition and compliance with all applicable standards set by the DEP.

XIII.

Evidence that the Utility owns the land upon which the Utility treatment facilities are located or has an agreement which provides for a continuous use of the land is attached hereto as Second Addendum to the Membership Purchase Agreement as part of **Exhibit "A"** and a Quit Claim Deed also as part of that Exhibit. Within that Second Addendum, the parties have agreed to long term use of the property on which the well sites are located and for transfer of fee title to the well site location after platting is complete. No other treatment facilities are owned by the Utility and as such, this agreement provides for continuous use of the land for the one piece of land necessary for operation of the water and wastewater systems.

XIV.

Because this change in ownership simply constitutes a change in membership interests of a Limited Liability Company, no change in the tariff sheets, other than the cover sheet with contact information, is necessary or anticipated. Revised versions of these sheets are attached as **Exhibit "C."**

XV.

The originals of the Utility's current certificates are attached hereto as **Exhibit "D"**.

XVI.

In accordance with the requirements of Section 25-30.020, Florida Administrative Code, for a system with the capacity to serve up to 500 ERCs, attached hereto is a filing fee in the amount of \$1,500 (\$750 each for the water and wastewater systems).

WHEREFORE, the applicant, Paradise Lakes Utility, LLC requests that the Commission issue its order approving this change in majority organizational control as outlined herein.

Respectfully submitted on this
29th day of September, 2003, by:

5.11 Title to Properties. PLU has or at Closing Date shall have, good and marketable title to all of its real properties owned in fee, and good and merchantable title to all of their personal properties and assets reflected in the Financial Statements or purported to have been acquired after the date of the Financial Statements excepting, however, property and other assets, in the aggregate not material to PLU, sold or otherwise disposed of subsequent to such date in the ordinary course of business (or as agreed upon between the parties hereto) free of any mortgage, pledge, lien, charge, security interest or other encumbrance, subordination or adverse claim, except as reflected in the Financial Statements, or for such imperfections of title and encumbrances as do not individually or in the aggregate materially detract from the value of such property or impair the business or property of PLU. To the best of PLU's knowledge and belief, after due inquiry, all utility lines are in dedicated rights of way or duly recorded utility easements. Except as set forth herein or in the exhibits hereto, PLU enjoys peaceful and undisturbed possession under all permits or leases under which it is operating, and all such leases are valid, subsisting and in full force and effect. PLU has not been advised of a breach of any such permit or lease and to the best of PLU's knowledge there is no basis for any such breach to be threatened. PLU shall obtain an Owner's Title Insurance Policy at the Member's expense in the amount of \$ 100,000.00 insuring marketable title to all of its real estate owned in fee simple, with the standard exceptions deleted.

5.12 Intentionally blank.

5.13. Accurate and Complete Records. The books, ledgers, financial records and other records of PLU have been provided to Buyer and to the best of PLU's knowledge they:

- b. are, except as set forth in separate disclosure schedules attached hereto, in the possession of PLU;

7.5 **New Transactions.** Between Buyer's investigation and review of PLU's operations and Closing, PLU (i) will not have entered into any legally binding contract, commitment or transaction not in the usual and ordinary course of business without Buyer's prior written consent, which consent shall not be unreasonably withheld or delayed more than five (5) days, (ii) will not have waived or compromised any right or claim, or canceled, without full payment, any note, loan or other such obligation without first informing Buyer, and (iii) will not have modified, amended, canceled or terminated any of its significant and material contracts or agreements without promptly notifying Buyer.

7.6 **Maintenance of Inventories.** PLU shall have maintained normal quantities of materials and supplies determined in accordance with its practices in existence on December 31, 2001.

8. **FPSC APPLICATION.** Buyer for itself and PLU shall use its best and diligent efforts to obtain FPSC authorization for the transfer of majority organizational

control of PLU to Buyer. PLI and Buyer shall cooperate with one another in preparing and filing such applications to the FPSC as they may deem necessary or appropriate to obtain necessary FPSC approval of the complete and satisfactory transactions contemplated by this Agreement. Buyer shall begin the application process for transfer of majority organizational control promptly upon execution hereof and cause the Application to be filed as soon as possible thereafter. Buyer shall select legal counsel for the application process. All expenses (including, without limitation, all legal fees and expenses) related to such preparation, filing and approval of the transfer of majority organizational control shall be paid and borne by Buyer.

9.1 **Compliance.** All the terms, covenants, and conditions of this Agreement to be respectively complied with and performed by Buyer, PLU and PLI on or before the Closing Date shall have been fully complied with and performed.

9.2 **Delivery of Certificate.** The representations and warranties contained herein shall be true and correct on and as of the Closing Date with the same effect as though all such representations and warranties had been made as of the Closing Date. Notwithstanding the foregoing, upon and as a condition to closing, PLU and PLI shall sign and deliver to Buyer a Certificate affirming the representations and warranties contained in Paragraph 5 and compliance with the covenants in Paragraph 7.

**ADDENDUM TO
MEMBERSHIP INTEREST PURCHASE AGREEMENT**

THIS ADDENDUM is to the MEMBERSHIP INTEREST PURCHASE AGREEMENT is entered into as of the 25 day of April, 2002 by and between PARADISE LAKES UTILITY, LLC, a Florida limited liability company ("PLU"), PARADISE LAKES, INC., a Florida corporation, ("PLI"), ("sometimes jointly referred to as Sellers") and MAD HATTER UTILITY, INC., a Florida corporation ("Buyer").

For and in consideration of the mutual covenants set forth herein, the parties agree as follows:

1.0 Except as modified hereby, the parties reaffirm the provisions of the Membership Interest Purchase Agreement.

2.0 In case of conflict between the terms of this Addendum and the Membership Interest Purchase Agreement, the terms of this Addendum shall prevail.

3.0 Upon execution of this Addendum, Buyer shall pay to Sellers Twenty Five Thousand Dollars (\$25,000.00) as a deposit which shall be applied to the Purchase Price at Closing. This deposit shall be refundable to Buyer only if the Closing does not take place as a result of a default by Sellers; otherwise the deposit shall not be refundable to Buyer.

4.0 Sellers shall convey to Buyer at closing free and clear of all liens and encumbrances the parcel of real property upon which is currently located the well and tank ("Real Property"). The Real Property shall be of sufficient size to meet all local buildings codes and deed restrictions for the construction of a single family residence.

4.1 Title Insurance and Permitted Encumbrances.

a. At least thirty (30) days prior to the Closing, Buyer shall cause to be issued and delivered a current title insurance commitment issued by a title company licensed to do business in the state of Florida, covering the fee simple Real Property, which shall be in an amount equal to \$100,000. The cost of the title search, title insurance commitment and title insurance shall be split equally between the Buyer and Sellers. The title insurance commitment shall commit the insurer to issue owner's title insurance policies to Purchaser covering the fee simple real property (substantially in accordance with the ALTA Standard Owner's Form B), reflecting title to the Real Property to be marketable or insurable, except for the Permitted Encumbrances (as defined below), the standard printed exceptions usually contained in an owner's title insurance policy, and the standard exclusions from coverage;

provided, however, that the title insurance company shall delete the standard exceptions customarily deleted for such items as materialman's liens, survey, and mechanic's liens. Seller shall execute at or prior to Closing, in favor of the title insurance company, the appropriate mechanic's lien affidavit and "Gap" affidavit sufficient to allow the title insurance company to delete all standard exceptions addressed by such affidavits, and shall provide a survey sufficient for the title insurance company to delete the survey exception.

Purchaser shall notify Seller in writing no less than ten (10) days after receipt of such title insurance commitment, of any alleged material defect in Seller's title to the Real Property, other than those accepted herein and the Permitted Encumbrances (such written notice to include all exceptions, encumbrances, liens, easements, covenants, restrictions or other defects in Seller's title to the real estate (other than the Permitted Encumbrances), which render or may render Seller's title to the Real Property unmarketable in accordance with standards adopted by The Florida Bar uninsurable). Any objections to title to the extent not shown on the notice furnished by Purchaser in accordance with the provisions of this paragraph shall be deemed to have been waived by Purchaser and Purchaser shall not be entitled to any damages or other remedies. Seller shall have thirty (30) days after receipt of Purchaser's notice, to eliminate all of the material objections to title set forth in Purchaser's notice. However, in no event shall Seller be required to bring suit or expend any sum in excess of \$5,000 in the aggregate to cure title defects, exclusive of mortgages against the Property, which are in a liquidated amount or Seller has an obligation to discharge on or before Closing pursuant to the terms of this Agreement. In the event Seller fails to deliver title as herein provided, then Purchaser may:

- (1) Accept whatever title Seller is able to convey with no abatement of the Purchase Price; or
- (2) Reject title and terminate this Agreement with no liability for damages from either Purchaser or Seller, and Seller shall refund the \$25,000 deposit referenced in Section 3 hereof.

b. If Purchaser rejects title as provided above, neither party shall have any further liability under this Agreement. Purchaser shall not object to title by reason of the existence of any mortgage, lien, encumbrance, covenant, restriction or other matter that (a) may be satisfied with a payment of money and Seller elects to do so by paying same at or prior to the Closing Date; (b) any mechanic's lien or other encumbrance which can be released of record, bonded or transferred of record to substitute security so as to relieve the real estate from the burden thereof and Seller elects to do so at or prior to Closing; or (c) the title insurance company issuing the title insurance commitments affirmatively insures-over.

c. As used above, "Permitted Encumbrances" mean and include the following:

- (1) All present and future building restrictions, zoning regulations, laws, ordinances, resolutions, regulations and orders of any governmental authority having jurisdiction over the Real Property and the use thereof as represented herein.
- (2) Easements, restrictions, reservations, rights-of-way, conditions and limitations of record, if any, which are not coupled with any reverter or forfeiture provisions, including (without limitation) any drainage, canal, mineral, road, or other reservations of record in favor of the State of Florida or any of its agencies or governmental or quasi-governmental entities, none of which, however, shall impair or restrict the use of the Property for the operation of the water well and tank.
- (3) Such other matters as are permitted under the terms of the Membership Interest Purchase Agreement, including but not limited to the Developer Agreements, the existence of which Seller has provided notice to Purchaser.

4.2 Sellers shall obtain such easements as are necessary for the provision of water and wastewater service to all newly developed areas, and to obtain easements for all existing lines and facilities not located within dedicated easements.

IN WITNESS WHEREOF, this Agreement has been duly executed by the parties hereto as of the date first above written.

SECOND ADDENDUM TO
MEMBERSHIP INTEREST PURCHASE AGREEMENT

This Second Addendum to that certain Membership Interest Purchase Agreement dated April 25, 2002 (the "Membership Interest Purchase Agreement") by and among Paradise Lakes Utility, LLC, a Florida limited liability corporation ("PLU"), Paradise Lakes, Inc., a Florida corporation and the managing and sole member of PLU ("PLI"), and Larry and Janice DeLucenay ("Buyer"), as previously amended by that certain Addendum to Membership Interest Purchase Agreement dated April 25, 2002, is hereby entered into as of the 23 day of JUNE, 2003 by and among PLU, PLI and Buyer, as follows:

1. Except as modified hereby, the parties reaffirm the provisions of the Membership Interest Purchase Agreement. Any capitalized terms not defined herein shall have meaning ascribed to them in the Membership Interest Purchase Agreement, as amended.

2. In case of conflict between the terms of this Addendum and the Membership Interest Purchase Agreement, the terms of this Addendum shall prevail.

3. Pursuant to Paragraph 4.1.1(iv) of the Membership Interest Purchase Agreement, PLU and PLI do hereby certify to Buyer that (i) the representations and warranties of PLU set forth in Paragraph 5 of the Membership Interest Purchase Agreement are true and correct on and as of the Closing Date with the same effect as though such representations and warranties had been made on and as of the Closing Date, and (ii) PLU has duly performed in all material respects all covenants and conditions required by Paragraph 7 of the Membership Interest Purchase Agreement to be performed by PLU on or before the Closing Date.

4. PLU and PLI hereby represent to Buyer, and Buyer hereby acknowledges and agrees, that the Real Property parcel commonly known as Lot 4 and surrounding lots are currently in the process of being replatted and recorded with the appropriate state and local agencies. The parties hereto agree that ownership of the parcel known as Lot 4, comprising approximately one-quarter acre of land, is a necessary part of the Utility system operated by PLU and PLI and therefore must be transferred as part of the acquisition of the membership interest in PLU. In accommodation to PLU and PLI, the Buyer agrees to allow some time for PLU and PLI to complete the platting process before transfer of this real property to the Buyer. However, it is acknowledged and understood by both parties that the Florida Public Service Commission will not approve the Transfer of Majority Organizational Control of the Utility until such time as Fee Simple Title is delivered by Warranty Deed to PLU. Therefore, PLI shall deliver good and marketable title to the water/wastewater facility systems and the Lot 4 parcel of approximately one-quarter acre on which those facilities are situated on the Closing Date. However, PLI shall continue to undertake the recording of the appropriate plat after the Closing Date and will deliver the recorded plat and a Warranty Deed for Lot 4 or such other quarter acre parcel as is necessary to reasonably encompass the water and wastewater treatment and pumping facilities to Buyer as soon as platting is completed, but not later than September 1, 2003. It is understood and agreed, and hereby acknowledged by Buyer, that PLU and PLI shall not be in violation of any provisions of the Membership Interest Purchase Agreement, as amended, including without limitation any such provisions relating to the marketability of or title to, or the non-existence of any liens or encumbrances on, the Real Property as of the Closing Date, by virtue or as a result of the foregoing agreement to allow up to a six month delay in transferring the appropriate real property necessary for operation of the water and sewer systems.

The parties hereto agree that there is also real property necessary for operation of the water and sewer systems other than Lot 4 above, specifically but not limited to the location of the three sewage lift station easements. All such property other than Lot 4 as discussed above, shall be transferred to PLU by Warranty Deed or by appropriate perpetual easement no later than the date of closing the Transfer of the Membership Interest Agreement.

The parties hereto acknowledge that transfer of the membership interest and of the facilities, including all Utility facilities and real property necessary for operation of the facilities cannot be complete and will not be approved by the Florida Public Service Commission until such time as ownership of land on which the Utility facilities are located or long-term rights to use such property, are in the name of the Utility itself. Therefore, the parties agree that to the extent PLI fails to have transferred all such property, real, personal and easements, to the PLU under ownership by the Buyer by September 1, 2003, then PLI will assume and promptly pay, upon presentation of invoices, all costs of the remainder of the transfer proceeding from that date forward to its conclusion and any and all costs related to continued representation of Buyer in finalizing the actual transfer of property, membership interest and of the transfer approval proceeding before the PSC and any other regulatory bodies.

5. Buyer hereby acknowledges and agrees that the Real Property shall be subject from and after the Closing Date to each and all of the Paradise Palms homeowners' association dues, fees and expenses generally and commonly applicable to all such real property located at and within the Paradise Palms homeowners' association, and Buyer shall be responsible for the payment of all such dues, fees and expenses in accordance with Paradise Palms' rules and regulations.

6. PLU, PLI and Buyer hereby agree that the Buyer has undertaken significant work on the PLU system since the execution of the original Membership Interest Purchase Agreement. The parties hereto agree that the Buyer should receive credit applied to the purchase price paid for the membership interest in PLU, for the costs related to these items or costs that have been, or will have to be, undertaken by Buyer in order to bring the system into compliance with generally accepted Utility operation and maintenance procedures and/or regulatory requirements. These items and their costs are as follows:

1.	Water plant painting and maintenance -	\$ <u>n/c</u>
2.	Placement of a master water meter at the water plant -	\$ <u>1,500</u>
3.	Furnish & Install of a high/low vacuum chlorine alarm-	\$ <u>2,100</u>
4.	Furnish and Install of a check valve -	\$ <u>289</u>
	Total	\$ <u>3,889</u>

The parties hereto agree that the total amount of these items will be offset against the purchase price outlined in Paragraph 11 hereof.

7. PLU and PLI and Seller shall deliver to Buyer at closing, all maps in the possession of PLI, PLU, its consultants or related parties, agents or employees, showing the location and sizing of all water and wastewater lines and facilities and the points of connections for all connections within or outside the territory or otherwise on the water and sewer systems transferred to Buyer. Some maps of this nature have already been provided to the Buyer. PLU, PLI, Seller, their agents and engineers shall continue to review their files and provide additional maps to the Buyer as and when discovered.

PLU, PLI and Seller shall also deliver to Buyer all maps within its possession or within the possession of its agents, engineers, or consultants which show all rights-of-way, easements necessary for operation and maintenance of all such facilities. PLU and PLI shall provide transfer of rights-of-way and easements necessary for all water and wastewater lines and facilities, to allow reasonable egress maintenance and repair of such facilities and shall obtain any such rights-of-way or easements that are not currently in existence for property owned or controlled by PLU or PLI in forms suitable for recording and shall be in the name of PLU upon the acquisition of the ownership interest in PLU by the Buyer.

8. PLU and PLI shall ensure that all appropriate DEP, Water Management District and other applicable regulatory permits are in the name of PLU at the time of the transfer of the ownership interest in PLU to Buyer and that PLU is in compliance with all permits and regulatory requirements of all agencies overseeing the water and wastewater utilities and up-to-date on all reports due to such regulatory entities. To the extent that any such regulatory requirements or reports are not up-to-date as of the date of closing, PLU and PLI hereby covet and agree that they will correct all such deficiencies within sixty days of the date of execution of this Addendum.

9. PLU and PLI hereby assure Buyer and agree that PLU has the right to provide water and reuse service in all the areas within Phases I, 2, and 3 of Paradise Lakes as well as Paradise Lakes double wide mobile home section, and single family residential section; The Palms Lots 1-4 (currently under replatting); the RV Park section, and that all such facilities are in place for provision of water service to such areas and are owned by PLU at the time of purchase of the membership interest in PLU by Buyer.

10. PLU and PLI agree that PLU has the right to provide wastewater service in all the areas within Phases I, 2, and 3 of Paradise Lakes as well as Paradise Lakes double wide mobile home section, and single family residential section; the Palms Lots 1-4 (currently under replatting); the RV Park section; the area currently known as the Fountain; the Royal Lanes bowling alley area, and that all such facilities are in place for provision of wastewater service to such areas and are owned by PLU at the time of purchase of the membership interest in PLU by Buyer.

11. PLU, PLI and Buyer each hereby acknowledge and agree that this Second Addendum shall serve to evidence the consummation and closing of the transaction contemplated in and by the Membership Interest Purchase Agreement, such that said transaction shall be deemed to be closed and consummated by and between the parties upon the execution of this Second Addendum. Simultaneous with the execution hereof, buyer shall remit and deliver to PLI the remaining balance of \$5,000, representing the balance of the Purchase Price as referenced in Paragraph 2 of the Membership Interest Purchase Agreement recognizing all deposits previously paid to Buyer pursuant to the Membership Interest Purchase Agreement, as amended.

12. In recognition of the provisions of Section 3.4, 5.1.5, and 8.0 of the Membership Interest Purchase Agreement, the parties hereto recognize that the Application for Transfer of Majority Organizational Control of the membership interest of Paradise Lakes Utility, LLC have not yet been filed, but that such filing will occur on or before July 1, 2003. The parties recognize that the closing of the transactions hereunder are subject to the unwind provisions of those sections of the original Membership Interest Purchase Agreement until such time as the Commission issues a Final Order recognizing the appropriateness of such transfer.

13. PLU and PLI shall execute the attached Bill of Sale for the transfer of membership interest to Buyer at closing of the transaction.

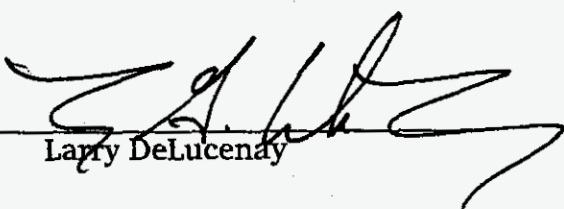

14. In light of the required additional transfer envisioned and discussed under Paragraph 4 hereof as occurring after the date of execution of this Second Addendum and after execution of the Bill of Sale, the parties recognize that this transaction is not complete and finalized until such time as the real property discussed under Section 4 hereof has been properly transferred to PLU as required under Section 4 hereof.

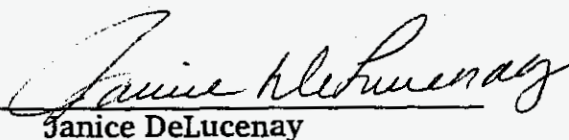

15. PLU and PLI hereby warrant that there are no outstanding debts owed by PLU to PLI or by PLI to PLU as of the date of closing, and no debts, advances or notes between the two shall survive the closing transaction.

IN WITNESS WHEREOF, this Second Addendum has been duly executed by the parties hereto as of the date first above written.
