2. The FCCA is a Florida not-for-profit corporation, whose members provide competitive telecommunications services in the state. In this docket, the Commission will address the requirements of the Federal Communications Commission's (FCC) *Triennial Review Order (TRO)*. The members of the FCCA are a group of companies whose interests will be substantially affected by this Commission's interpretation of the FCC's *TRO*. Thus, the FCCA has standing to intervene in this proceeding.

3. Ultimate facts alleged include, but are not limited to, the fact the FCC's *TRO* must be interpreted and applied to facilitate local competition.

4. Any determinations and actions in this docket regarding the *TRO* will affect the substantial interests of FCCA members as CLECs operating in Florida. Granting the FCCA leave to intervene in this docket will provide the Commission with greater insight into the correct interpretation and application of the *TRO*. The FCCA has standing under Chapter 120, Florida Statutes, and applicable rules to be granted intervention in this proceeding.

WHEREFORE, the Florida Competitive Carriers Association requests the Commission to enter an Order authorizing it to intervene as a full party to this proceeding.
