Dear Mr. Powers:

In response to your September 25, 2003, test year notification letter, Docket No. 030955-GU has been opened for Indiantown Gas Company, Inc.'s forthcoming general rate increase proceeding. It has been noted that the Company proposes to utilize a projected twelve-month period ending December 31, 2004, as the test year for the permanent rate proceeding. However, the appropriateness of the selected test year may be an issue in the proceeding. The Company also proposes to utilize a historical twelve-month period ended December 31, 2002, as its test year for interim rate request purposes.

The Minimum Filing Requirements and associated testimony will be due at the Commission's offices on November 24, 2003. If the Company is unable to file on that date, it must notify the Commission in accordance with the provisions of Rule 25-7.140(3), Florida Administrative Code. It is also my understanding that the Company intends to utilize the Proposed Agency Action procedure that is available pursuant to Section 366.06(4), Florida Statutes.

If you should have any questions, please contact John Slemkewicz, Public Utilities Supervisor, in the Division of Economic Regulation, at (850) 413-6420.

Sincerely,

Re: Assigned Rate Case Docket No.

Dear Mr. Powers:

Chairman Jaber responded to your Test Year Notification by letter dated October 1, 2003. In that letter, Chairman Jaber noted that Docket No. 030955-GU had been assigned to the Company's forthcoming general rate proceeding. That was the docket number originally assigned to the rate case. However, another docket number was subsequently assigned to the rate case. The new docket number is **Docket No. 030954-GU**.

I trust that it is early enough in the process so that this change does not cause the Company any inconveniences. I have also conveyed this information to you in a telephone message that I left at your offices today. Please contact me at (850) 413-6420 if you should have any questions.

Sincerely,

A handwritten signature in cursive script that reads "John Slemkewicz".
