I have no idea. Interesting that there is no telephone number given, and it's not even "real" stationery. I don't think we need to do anything with it & I would stick it in a miscellaneous or no response needed file. I'm copying Karen Belcher just in case she knows anything but I think it's probably a waste of time to do anything else to figure out why we got it.

Chris, Records received the attached in the mail and faxed it to me and asked what it is. I have no idea what it is or who it should go to. It's from a trustee (bankruptcy trustee?), but we have no company with the FEIN # listed or NTC Creditor Trust c/o Bederson & Company in its name (I get the impression that is not a company that would have a certificate). Any light you can shed on this would be appreciated. Thanks.
