DOCUMENT NUMBER-DATE

FPSC-COMMISSION CLERK

for the waiver of the carrier selection requirements in Rule 25-4.118, Florida Administrative Code, due to the acquisition of the customer base and related assets of Ciera Network Systems, Inc.

We are vested with jurisdiction in this matter pursuant to Section 364.603, Florida Statutes.

ANALYSIS

Pursuant to Rule 25-4.118(1), Florida Administrative Code, a customer's carrier cannot be changed without the customer's authorization. Rule 25-4.118(2), Florida Administrative Code, provides that a carrier shall submit a change request only if one of the following has occurred:

- (a) The provider has a letter of agency (LOA) . . . from the customer requesting the change;
- (b) The provider has received a customer-initiated call for service . . . ;
- (c) A firm that is independent and unaffiliated with the provider . . . has verified the customer's requested change . . .

Pursuant to Rule 25-24.490, Florida Administrative Code, Rule 25-4.118, Florida Administrative Code, is incorporated into Chapter 25-24, and applies to IXCs.

Rule 25-24.455(4), Florida Administrative Code, states in part:

An interexchange company may petition for a waiver of any provision of this Part. The Commission may grant a waiver to the extent that it determines that it is consistent with the public interest to do so. The commission may grant the petition in whole or part, may limit the waiver to certain geographic areas and/or may impose reasonable alternative regulatory requirements on the petitioning company. In disposing of a petition, the Commission may consider:

(a) . . .

(b) The extent to which competitive forces may serve the same function as, or obviate the necessity for, the provision sought to be waived; and

(c) Alternative regulatory requirements for the company may serve the purpose of this Part.

New Access Communications, LLC has attested that it will provide for a seamless transition while ensuring that the affected customers understand available choices with the least amount of disruption to the customers. We have reviewed the notice that will be sent to Ciera Network Systems, Inc.'s customers and found it to be adequate. The customers should not experience any interruption of service, rate increase, or switching fees.

We find that in this instance it is in the public interest to waive the carrier selection requirements of Rule 25-4.118, Florida Administrative Code. If prior authorization is required in this event, customers may fail to respond to a request for authorization, neglect to select another carrier, and lose their long distance service. Furthermore, we believe that granting this waiver will avoid unnecessary slamming complaints during this transition.

Further, Ciera Network Systems, Inc. does not have any outstanding regulatory assessment fees, penalties or interest.

Therefore, we find that the carrier selection requirements in Rule 25-4.118, Florida Administrative Code, shall be waived in this instance.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the carrier selection requirements in Rule 25-4.118, Florida Administrative Code, are waived in this instance, as requested by New Access Communications LLC. It is further
