DOCKET NO. 030001-EI
ORDER NO. PSC-03-1282-CFO-EI
ISSUED: November 10, 2003

ORDER GRANTING REQUEST FOR CONFIDENTIAL CLASSIFICATION
(DOCUMENT NO. 03030-03)

On April 1, 2003, pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Gulf Power Company (Gulf) filed a request for confidential classification of Schedule 2 of Exhibit HRB-1 to the testimony of H. R. Ball filed in this docket on April 1, 2003 (Document No. 03030-03).

Section 366.093(1), Florida Statutes, provides that "any records received by the commission which are shown and found by the commission to be proprietary confidential business information shall be kept confidential and shall be exempt from [the Public Records Act]." Section 366.093(3), Florida Statutes, defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3)(a)(d), and (e), Florida Statutes, provides that proprietary confidential business information includes, but is not limited to "[t]rade secrets," "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms," and "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information."

Gulf contends that certain information in Schedule 2 of Exhibit HRB-1 falls within these categories and thus constitutes proprietary confidential business information entitled to protection under Section 366.093 (3)(a), (d), and (e), Florida Statutes, and Rule 25-22.006, Florida Administrative Code. specific information for which Gulf seeks confidential classification is identified in Attachment A to this Order, which is incorporated herein by reference. Gulf states that this information is intended to be and is treated by Gulf as private and has not been publicly disclosed.

Upon review, it appears that the information in Document No. 03030-03 for which Gulf seeks confidential classification, as identified in Attachment A to this Order, satisfies the criteria set forth in Section 366.093(3), Florida Statutes, for classification as proprietary confidential business information and, thus, shall be treated as confidential. While it is not clear whether this information constitutes "trade secrets" as that term is used in Section 366.093(3)(a), Florida Statutes, the information constitutes "[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms" and "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information." Thus, this information is granted confidential classification.

Pursuant to Section 366.093(4), Florida Statutes, the information for which confidential classification is granted herein shall remain protected from disclosure for a period of 18 months from the date of issuance of this order. At the conclusion of the 18 month period, the confidential information will no longer be exempt from Section 119.07(1), Florida Statutes, unless Gulf or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is

ORDERED by Commissioner Braulio L. Baez, as Prehearing Officer, that Gulf Power Company's Request for Confidential Classification of Document No. 03030-03 is granted. It is further

ORDERED that the information in Document No. 03030-03 for which confidential classification has been granted shall remain protected from disclosure for a period of 18 months from the date of issuance of this order. It is further

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code, if issued by a Prehearing Officer; (2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or (3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Director, Division of the Commission Clerk and Administrative Services, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
