RE: **Request for Confidential Classification**  
Implementation of Requirements Arising From Federal Communication  
Commission's Triennial UNE Review

030851-TP

Dear Ms. Bayo:

030852-TP

Our law firm represents Time Warner Telecom of Florida, L.P. ("Time Warner"). On November 14, 2003, pursuant to a cooperative agreement between Time Warner and BellSouth Telecommunications, Inc., Time Warner submitted its responses to the Data Request Regarding Implementation of Requirements Arising From Federal Communication Commission's Triennial Unbundled Network Element Review. Specifically, Time Warner submitted tables titled General Questions, Switching Questions, and Remote Switches. On behalf of our client, we would like to request confidential classification of the responses in the table labeled Switching Questions. Enclosed please find amended copies of the Switching Questions table.

Pursuant to Section 364.183(1), Florida Statutes, and Rule 22.006(5), Florida Administrative Code, Time Warner requests confidential classification of the amended document. The information contained in this document is considered proprietary confidential business information, as that term is defined in Section 364.183(3), Florida Statutes. As such, this information is exempt from Section 119.07(1) and Section 24(a), Article I of the State Constitution. The information is a trade secret and relates to competitive interests, the disclosure of which would impair the competitive business of Time Warner. Additionally, the information is intended to be private, and has not been otherwise disclosed by Time Warner.
