Re. 2003 TRO Data Request in Docket Nos. 030851-TP and 030852/
Request for Confidentiality.

FPSC Representative:

This letter is from Jacques Ward, General Counsel for Atlantic.Net Broadband, Inc. ("Atlantic.Net Broadband). I have completed the data request made by the PSC. Atlantic.Net Broadband did not complete the "switching_questions_FL.xls" and the "remote_switches_questions_FL.xls" spreadsheets because Atlantic.Net Broadband does not use switches—I included the two blank spreadsheets for these items, however on the enclosed CD, in addition to the requested spreadsheets that Atlantic.Net Broadband did complete.

Atlantic.Net Broadband, Inc. respectfully requests that all information submitted concerning "loop questions" and "transport questions" remain confidential and top secret from other local exchange carriers in Florida. This information has been submitted for the purpose of providing information to the Florida Public Service Commission. Atlantic.Net Broadband does not wish to provide its competitors with confidential and proprietary information regarding its network.

If there are any questions or comments, please feel free to contact me.

Regards,

Jacques Ward
