Re: Docket Nos. 030851-TP and 030852-TP, XO Florida, Inc.'s Responses to 2003 TRO Data Request

Dear Ms. Bayo and Ms. Lee:

Attached are XO Florida, Inc.'s Initial Responses to Staff's Data Request in the above dockets in both electronic and hard copy format, as well as the notarized statement of Dana Shaffer, Vice President, Regulatory Affairs, attesting to the accuracy of the responses.

Please note that XO has already provided switching information in response to a subpoena from BellSouth. This information will be provided in XO's supplemental response. Further note that XO objects to the Staff request for detailed loop information as being overly burdensome and premature. BellSouth has the burden in this case. Once BellSouth makes an initial showing as to which loop routes it intends to challenge, XO will provide information on those specific routes.

Confidential information has been provided to Ms. Bayo under separate cover in accordance with the Commission's confidentiality procedures.

Per XO's agreement with Staff Counsel, Mr. Teitzman, XO will supplement these responses on December 10, 2003.

If you have any questions, please contact me.

Sincerely,

Vicki Gordon Kaufman
