All Parties of Record:

**RE:** Docket No. 030852-TP / Supplemental Testimony

On December 2, 2003, the Commission mailed data requests seeking information relating to its Triennial Review Order (TRO) Proceedings to all certificated Alternative Access Vendors (AAVs) in the State of Florida. Responses to such requests are due on December 22, 2003. In accordance with Order No. PSC-03-1265-PCO-TP, parties' direct testimony in this docket is due on that same day.

At the second issue identification conference, held on October 23, 2003, while addressing timing issues of discovery in the TRO proceedings, I stated that I would be amenable to parties supplementing their filings when new information was discerned subsequent to such filings. Because of the aforementioned overlapping due dates, this situation may arise with respect to parties' direct testimony and exhibits in this docket. Therefore, if necessary, the parties are permitted to supplement their direct testimony and exhibits with respect to the information discerned from the AAV data request responses. Requests to supplement testimony based on any other new information should specifically address why the information could not have been included in that party's direct testimony filing on December 22, 2003. All such supplemental filings should, absent compelling circumstances, be received by the Commission no later than January 9, 2003.

Should you need additional information, please contact Mr. Adam Teitzman, lead counsel for the FPSC in this docket, at (850) 413-6175 or my Chief Advisor, Ms. Katrina Tew, at (850) 413-6022.
