Lee and Adrienne, would you please clarify a couple of things regarding this docket for us?

First of all, is this a rule-making docket? If so, should the docket title be "Proposed amendments to Rule 25-6.0185, F.A.C., Electric Utility Procedures for Long-Term Energy Emergencies?" If it is not a rule-making docket, should the title be "Electric utilities' long-term energy emergency plan pursuant to Rule 25-6.0185, F.A.C., Electric Utility Procedures for Long-Term Energy Emergencies?"

Also, for docket mailing list, should "all electric utilities" be listed as "parties" or just the companies listed in the Request to Establish Docket?

Thank you very much!

Not a rule-making docket--we are asking the Commission to approve long-term energy emergency plans. So, an appropriate title would be: "Request for Approval of Long-Term Energy Emergency Plans Filed Pursuant to Rule 25-6.0185, F.A.C., Electric Utility Procedures for Long-Term Energy Emergencies." As for the mailing list, the companies listed in the Request to Establish Docket should be listed as parties of record, while all electric utilities should be listed as interested parties. Hope this clarifies everything, let me know if you have any more questions.

Lee, we are trying to set up the mailing list for Docket 030400 and need your help.

Per Adrienne's e-mail below, we have listed all electric utilities as "interested persons" and used the MCD addresses for the following companies listed in the Request to Establish Docket: Florida Power & Light Company (EI802), Progress Energy Florida, Inc. (EI801), Seminole Electric Cooperative, Inc. (EC917), Gulf Power Company (EI804), Utilities Commission, City of New Smyrna Beach, Florida (EM872), Tampa Electric Company (EI806), JEA (EM862), and Gainesville Regional Util./City of Gainesville (EM858).

For "OCU" listed in the Request to Establish Docket, do you mean "OUC," which is Orlando Utilities Commission (EM874)? If so, we will use MCD's address for the company.

For Florida Municipal Power Agency, we used the following address: Frederick M. Bryant, 2061-2 Delta Way, Tallahassee, FL 32303, 850-297-2011 (Phone), 297-2014 (Fax), fred.bryant@fmpa.com (e-mail). Is this correct?

For Tallahassee Electric, should we use City of Tallahassee (EM879), or you have an address for them?

For Reedy Creek Energy Service, do you have their address? We only have Reedy Creek Improvement District - Utilities Division (EM884) in our system.

For Lakeland Electric, we have the following address in CMS: Paul Elwing, 501 E. Lemon St., Lakeland, FL 33801, 863-834-6531 (Phone), 863-834-6362 (Fax), paul.elwing@lakelandgov.net (e-mail). Is this correct?

Thank you very much!

Tom, just to be clear, is the mailing list for this docket ok?

Except OUC and City of Tallahassee, we used MCD addresses for the utilities that we can find in MCD, and the addresses Lee provided for the utilities that we can not find in MCD. For OUC, we used the address Lee provided, because the Request to Establish Docket lists "OCU" instead of OUC, so I asked Lee in my 5/01 e-mail and we enter OUC's address per his response. For City of Tallahassee, we also use the address Lee provided, because the Request to Establish Docket lists "Tallahassee Electric," and I also asked Lee in the same e-mail.

Should we have used MCD addresses for OUC and City of Tallahassee?

Hong, the names you listed are the correct utilities, so the address in the MCD should be OK. Many of the names Lee provided are the technical staff at the utility and not the normal contacts for PSC correspondence.
