If by Friday morning, great. If by Tuesday morning after Labor Day, that will be fine. The statutory deadline for 030555-TP is 9/17/2003, and for 030648-TP, 10/16/2003.

Hope the week settles down for you.

Jeff -

I will get on it but it may be the end of the week before it gets filed. Today thru Thursday promise to be truly hectic days. Thanks!

Kathleen, is this acceptable to you and BST? If it is, I will go ahead and prepare the memo and await your letter and insert the date of the letter (when I get your letter).

When BellSouth files the request to move document 05447 (the amendment) from Docket No. 030555-TP to Docket No. 030648-TP, they should also request 030555-TP be closed. You can then forward the normal memo to close based on Bell's request.

Kay,

Great!

One final question: How should we handle the closing of 030555-TP? Is there a specific Statute/Rule reference that would apply in this case?

The remedy you have proposed is acceptable.

We will now await receipt of BellSouth's letter and further direction from you (as OPR).

Subject: 030555-TP/030648-TP - BST/Access Point - Amendment and
Underlying Agreement respectively

Kay/Hong,

On June 18, 2003, BST filed an amendment to the agreement between Access Point and BST. At the time, the underlying agreement had not been filed. The underlying agreement was filed on July 17, 2003. As a result of the different filing dates, the amendment goes into effect a month before the underlying agreement. (This raises the question: "How can a non-existent agreement be amended?")

Here is a possible remedy, if it is acceptable to you:

1. Upon BST's written request (anticipated), move document 05447 (the amendment) from Docket No. 030555-TP to Docket No. 030648-TP;
2. Change the title for Docket No. 030648-TP to be an "IURC agreement, and one amendment";
3. Close 030555-TP.

Please give me direction on this, and I will take appropriate action.

Thank you,
