Subject: 030836-TP and 030837-TP

Nancy, both of these agreements are adoptions of the 020389-TP MCImetro Access Transmission Services, LLC and Sprint-Florida, Incorporated agreement. In both cases, the CLEC name has punctuation errors. As in two other cases, this will need to be corrected.

In addition, neither adoption appear to have "renewal" language in the "Term" section of the adoption papers. With regard this, will the two adoptions follow the renewal/termination procedures as outlined in the underlying Docket (as appears to be the case in 030842-TP)?

For reference, the Statutory deadline for these adoptions is Novemer 17, 2003.

I appreciate you forwarding this information to me. If you'd include this in your letters correcting the punctuation errors, I believe that will be okay.

Kay/Hong, please insert a copy of this e-mail into the docket files listed above.

Importance: High

Jeff - Nancy Schnitzer is still out of the office due to death in the family, she will return next Monday, Nov. 17th. I was hoping she would be back this morning to be able to review and handle your inquiries. If you would, please review the comments received from our corporate legal office regarding contract renewal issues and let me know what you think. In the meantime, I will correct the punctuation issues you've noted.

Thanks much,
Tamela

Notice to FPSC:

Please be advised that both the AT&T and TCG adoptions will follow the renegotiation and termination provisions of the 2002 MCIm contract under Section 3 of Part A of that agreement. The Commission should also be advised that there are no automatic renewal provisions contained in the MCIm contract. The Parties under the agreement are required to enter negotiations for a replacement contract no later than 270 days prior to the expiration date of the agreement. This provision along with the remaining conditions found in Section 3 of Part A will be required by AT&T and TCG.
