Importance: High

Paula, good morning. I have a registration acknowlegment by company; they are also requesting cancellation of certificate in same filing, cited IXC Certificate 5190, which they currently hold. I started docketing before I read they are also wanting a cancellation; so I'm going to stop until I hear back from you. Can I fax the filing to you for your review?

Jackie, a docket for the matter Ruth N e-mailed you about earlier today was already opened in CMS by the time she sent the e-mail.

We will leave the docket open till you can review the filing. If it turns out the docket was opened in error, please advise and we will close it at that point.
