Re: Residential Water Systems, Inc., Docket No. 030423-WU

Dear Bob:

As stated in my December 8, 2003 letter to Marty Deterding, staff will update 2003 revenues to actual before the recommendation is filed. In order to accomplish this, staff requests the following documentation from the utility. Please provide the number of customers at December 31, 2003, by meter size, and the actual consumption for the months of November and December 2003. Staff was provided consumption through November 22, but needs the entire month of November. A Profit/Loss Statement as of October 31, 2003, was attached to a November 18, 2003 letter to me from Marty Deterding which reflected the utility's operating revenues through October 31, 2003. Please provide a similar Profit/Loss Statement as of December 31, 2003.

Please provide the documents by January 30, 2004. Thank you for you help.

Sincerely,

Troy Rendell  
Public Utilities Supervisor
