Good morning. On 1/13, Allied/CFI filed a petition in closed Docket 000061 as well as a confidential document (DN 00531-04). On 1/16, Allied/CFI filed a Notice of Withdrawal of Motion, and at the same time filed a petition that required a new docket number (040050-EI), and with that petition they filed confidential.

Since the petition filed in closed Docket 000061 has been withdrawn, is it appropriate to return confidential DN 00531-04 filed in that docket to Ken Hoffman, who filed both the petition and the confidential on Allied/CFI's behalf?
