Re: Case No. 99-32133, Minimum Rate Pricing, Inc. (Consolidated with Parcel Consultants)

Dear Ms. Hildebrandt:

The Florida Public Service Commission notes that the above referenced company no longer provides telecommunications services in Florida, and it is our understanding that it has actually been liquidated. On November 21, 2000, this Commission issued an order authorizing the transfer of the remaining MRP customer base in Florida to another carrier who had purchased same. In addition, MRP has not paid annual regulatory assessment fees in Florida since 1997. Accordingly, it appears that MRP will not again provide telecommunications services in Florida.

Based on the above, we desire to cancel the certificate issued to MRP on May 7, 1996, for the provision of interexchange telecommunications services in Florida, and close our files on this matter. Please advise whether we may take that action at this time in light of the fact that a final order has not been entered by the bankruptcy court.

Thank you for your assistance in this matter.

Sincerely,

Lee Fordham
