Dear Mr. Gervasi:

Thank you for your follow-up letter in response to my objection of Lazy A receiver's application (Act 367.045). We're pleased that the Commission will investigate our concerns concerning metering, etc.

We do not request a formal hearing at this time. But we would like to know what your investigation finds out. Please keep us informed as to your findings on this situation. Also we'd like to know if Lazy A's application is approved.

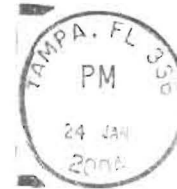

Thank you for your time and concerns on this. After March 15, 2004, all correspondence on this should go to:
