Re: Mid-County Services
Agreement for Wastewater Service between Mid-County Services and Covered Bridge, LLC for
service to Highland Woods, Phase 2
Our File No. 30057.03

Dear Ms. Bayo:

Pursuant to Commission Rule 25-30.550, Florida Administrative Code, enclosed is a copy of an Agreement for Wastewater Service entered into between Mid-County Services and Covered Bridge, LLC, to provide wastewater service to Highland Woods, Phase 2. Mid-County Services' wastewater treatment plant has a permitted capacity of 0.900 mgd. The current treatment plant connected load is approximately 0.640 mgd, and this Wastewater Agreement is for approximately 20,000 gallons a day. There is sufficient capacity in Mid-County Services' existing plant to provide wastewater service pursuant to this Wastewater Agreement. This Wastewater Agreement will have no noticeable impact on the Utility's rates due to the amount of small demand being placed on the Mid-County Services' wastewater system, and resultant revenues.

In accordance with the aforementioned Rule, we will deem this Agreement approved if we do not receive notice from the Commission of its intent to disapprove within thirty days. Should you have any questions regarding this Agreement, please do not hesitate to contact me.

Very truly yours,

MARTIN S. FRIEDMAN
