FDN COMMUNICATIONS' REQUEST FOR SPECIFIED CONFIDENTIAL CLASSIFICATION

Florida Digital Network, Inc., d/b/a FDN Communications ("FDN") pursuant to Rule 25-22.006, Florida Administrative Code, and Section 364.183, Florida Statutes, files its Request for Specified Confidential Information as follows:

1. On February 25, 2004, FDN filed with the Commission **Document No. 02754-04**. Said document contains confidential business information and customer specific information that is proprietary to FDN. FDN also filed a Notice of Intent to request confidential classification with Document No. 02754-04.

2. FDN hereby files this Request for Specified Confidential Classification because the information contained in Document No. 02754-04 contains market deployment data and other specific network information utilized by FDN to conduct business in Florida and release of such information would cause substantial competitive harm to FDN. The information contained in the referenced Document No. 02754-04 is confidential and proprietary under Florida Statutes, Section 364.183. The information in Document No. 02754-04 is the same or similar to information the Commission declared

proprietary and confidential business information, exempt from Florida's Public Records Laws, by Order No. PSC-03-1263-PCO-TP, issued November 7, 2003, in this docket.

3. Attachment A hereto contains an explanation of the proprietary information along with a list that identifies the location of information designated as confidential and proprietary.

4. Attachment B hereto is two redacted versions for public disclosure.

5. Attachment C hereto is a sealed envelope containing one copy of the documents that are confidential and proprietary.

6. The information contained in Document No. 02754-04 contains market deployment data and other specific network information utilized by FDN to conduct its business. FDN has expended millions of dollars in infrastructure to support market deployment and its business. A significant portion of this investment will be wasted if Document No. 02754-04 is released to the public and competitors are thereby permitted to target the markets FDN has targeted in the same or similar manner as FDN. Therefore, such information should be classified as confidential business information and proprietary information pursuant to Section 364.183(3)(e). Further, such information has been kept as a trade secret under Section 364.183(3)(a).

7. FDN has treated and intends to continue to treat the information for which confidential classification is sought as private, and this information has not been generally disclosed.

8. The original of this Request has been mailed to the Division of Records for the Commission and a copy was served on the parties.

WHEREFORE, based on the foregoing, FDN respectfully requests that the Commission enter an order declaring the information described hereinabove be confidential, proprietary business information that is not subject to public disclosure.

RESPECTFULLY SUBMITTED, this 27th day of February 2004.

Reasons for Claim for Proprietary Information Status

1. This information contains proprietary investment, market deployment, customer location information and competitive interest information. This information is valuable, is used by FDN in conducting its business, and FDN strives to keep it secret. Therefore, such information relates to competitive interests of FDN, the disclosure of which would impair the competitive business of FDN. See Section 364.183(3)(e), Florida Statutes.
2. This information contains information that FDN strives to keep secret because it is elemental to FDN's business and status in the competitive market place. Therefore, such information is a trade secret. See Section 364.183(3)(a), Florida Statutes.
