Counsel for CSX Transportation

47. Provide an organizational chart of CSXT and all of its subsidiaries.

**CSXT'S RESPONSE**

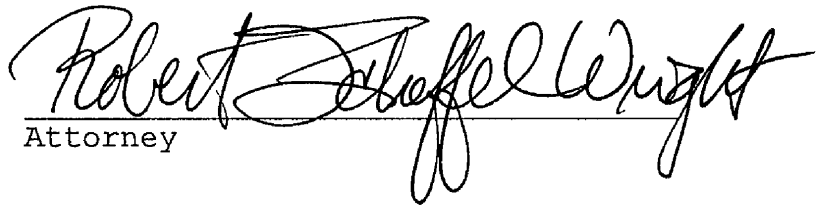

CSXT has objected to this interrogatory on the grounds that it seeks confidential, proprietary business information, that it is overly burdensome, and that it is not reasonably calculated to lead to the discovery of relevant, admissible evidence. Without waiving these objections, CSXT will provide the requested organizational chart subject to a non-disclosure agreement executed by CSXT and TECO.

See Attachment A. This Attachment is confidential and is therefore being furnished only to the Commission Staff, via the Office of the Commission Clerk, and to Tampa Electric Company and other parties, if any, upon their execution of satisfactory non-disclosure agreements with CSXT.
