Subject: FW: Request to cancel IXC Certificate

Good morning, Kay. The Commission originally received Ameritech's (TI513) request for cancellation on February 9th (Document No. 01829-04) but since they owed RAFs, I advised Ruth not to open a docket. Yesterday, we received the 2004 RAF payment, along with a letter advising the \$3 balance will be paid within four weeks (Document No. 03849-04). This means it is now OK to open a docket with an effective date of 2/9/04. Thanks.

Good morning. I'm glad I got the e-mial in before the system went down. I'll print this e-mail and attach to letter sent. Thank you, Paula.

Good morning, Ruth. I couldn't respond via e-mail yesterday because it was down. Please don't open a docket yet. I need to contact them to collect RAFs owed. Thanks.

FPSC-COMMISSION CLERK

Happy Monday!

I just faxed to you Ameritech Communications International, Inc.'s request for cancellation of certificate of convenience and necessity to provide resold telecommunications service. Please let me know if I can open a docket to cancel.

Thanks.
