Re: **Florida Power & Light Company's Annual Distribution Reliability Report**

Dear Ms. Bayo:

Please find enclosed, Florida Power & Light Company's re-submittal of its most recently filed Annual Distribution Reliability Reports for years 2002 and 2003. On March 1, 2004, pursuant to Rule 25-6.049 F.A.C. FPL filed with Mr. Joseph Jenkins, its Annual Distribution Reliability Report for 2003.

After review of both filings, Staff brought to FPL's attention a different interpretation of the Primary Causes section of the filings. FPL made the requested changes to this section and on March 16, 2004 forwarded those changes to Staff.

With this filing, it is FPL's desire to have the attached reports formally reflected as our corrected response under the Rule. Please do not hesitate to call me at (850) 521-3900 if you have any questions.

Sincerely,

Bill Feaster
Manager, Regulatory Affairs
