COMMISSION
CLERK

Dear Ms. Bayo:

Attached hereto are two copies of revised service area maps (4th Revised Exhibit G) for your information and a fifteen copies of the revised legal description (Exhibit H) are attached for filing, in order to remove approximately three sections from the area proposed for service by Farmton Water Resources, LLC in the above-referenced docket. As a result of an agreement with the City of Edgewater, we have agreed to remove these sections at the northern edge of the originally proposed territory and the City of Edgewater has agreed to withdraw any opposition to this certification as a result.

The Application of Farmton Water Resources, LLC should therefore be modified in order to reflect this restrictive amendment to show that the area proposed for certification and service modifies the Application currently pending before the Public Service Commission.

Should you or any members of your staff have any questions in this regard, please do not hesitate to contact me.

Sincerely,

ROSE, SUNDSTROM & BENTLEY
