RECEIVED 11:00

Dear Ms. Bayo:

On April 20, 2004 I submitted to you Fourth Revised Exhibits G and H to the Application of Farmton Water Resources LLC for Original Certificate. Since the submission of those exhibits, we have determined that both the legal description and the maps contained errors. As such, I am submitting herewith Fifth Revised Exhibit G and H in order to correct those errors that were brought to our attention last week. These exhibits now accurately reflect the proposed service territory of Farmton Water Resources, LLC as restrictively amended in the above-referenced case. These exhibits should replace those in the original application and all revised versions thereof submitted since that application was filed.

Should you or any members of your staff have any questions in this regard, please let me know.
