Kay,

I am processing a name change request by the above company and noticed that the CASR Title has the Certificate No. listed as 5100. The letter requesting the name change states it should be 6070. The latter number is correct. I can easily see how staff could have missed this given the way the company worded

- CMP \_\_\_\_\_
- COM \_\_\_\_\_
- CTR \_\_\_\_\_
- ECR \_\_\_\_\_
- GCL \_\_\_\_\_
- OPC \_\_\_\_\_
- MMS \_\_\_\_\_
- RCA \_\_\_\_\_
- SCR \_\_\_\_\_
- SEC   1
- OTH \_\_\_\_\_

their letter to the Commission.

Can you have the typo corrected via this email?

Let me know,

Toni
