Hublic Service Commission

March 5, 2004

Mr. Gary E. Akers, Owner JB Telecom (TF465) 1359 Bristol Park Place Lake Mary, FL 32746-4328

Dear Mr. Akers:

On March 2, 2004, the Commission received your 2003 Regulatory Assessment Fee return form, along with payment and a letter requesting cancellation of your certificate. I researched our records but could not find record that you had previously requested cancellation of your certificate from this Commission. A copy of the cancellation rule is enclosed.

The Regulatory Assessment Fee is assessed if a certificate is active for any one day during a calendar year, even if a company had no revenues or ever started operations during the period covered. This means that since you did not request cancellation of your certificate in 2003, the 2004 Regulatory Assessment Fee is owed. The 2004 Regulatory Assessment Fee return form is enclosed.

Please complete the 2004 Regulatory Assessment Fee return form and include payment of the \$50 minimum. As soon as payment is received, a docket will be established to recommend a voluntary cancellation of your pay telephone certificate. When returning payment and the completed 2004 Regulatory Assessment Fee return form, please use the enclosed blue envelope, which will insure prompt processing.

In the meantime, if you have any questions, just let me know. I can be reached at (850) 413-6502-phone, (850) 413-6503-fax, by internet e-mail at PIsler@psc.state.fl.us, or at the address at the bottom of Page One.

Sincerely,

Paula J. Isler, Research Assistant Bureau of Service Quality

Hi David. This company paid the 2003 RAF plus \$3 P&I and requested cancellation of their certificate but it is entered in RAF System as 2004. I am getting ready to write them and tell them that they owe the 2004 RAF first. Can you please correct this? Thanks.
