Good morning. Fiscal sent me a copy of this company's \$50 check for payment of the 2004 RAF. Nothing else was attached. This is usually an indicator that a company has been in contact with us and probably requested cancellation of their certificate. I couldn't find record of a request for cancellation so I called them. I was told by Susan Lanning that she mailed a letter dated March 5, 2004 requesting cancellation and was told via telephone (she does not know who she talked with) to pay the 2004 RAF. Has your group received the request?
