Re: Docket No. 011077-TP- Generic Investigation Into Whether Competitive Practices of Incumbent and Alternative Local Exchange Carriers Comply with Section 364.01 (4)(g), F.S.

Dear Parties and Interested Persons:

Because there has been little activity in the above-referenced docket over the past several months, and issues that have been raised in this docket are being addressed in other venues, staff believes that it may be appropriate to give consideration as to whether this docket should be closed.

If you have a concern with the possibility of this docket being closed, please file a letter indicating your concern(s) by close of business on Monday, May 17, 2004. Your letter should be filed with the Commission Clerk's office in the docket referenced above.

After the Commission Staff has reviewed the letters filed by the parties and interested persons, the Commission Staff will forward this issue to the prehearing officer for consideration.

Sincerely,

Beth W. Salak, Director
Competitive Markets and Enforcement
