Dear Winstar Customer:

We regret to inform you that Winstar plans to reconfigure and redesign the services it offers in your geographic area. As a result, we have determined that we will no longer provide your telecommunications services in area(s) outside of the New York and Washington, DC metropolitan area. We have also informed the Federal Communications Commission of this development. **Accordingly, Winstar intends to discontinue all LOCAL, DOMESTIC AND INTERNATIONAL LONG DISTANCE, TOLL FREE, PRIVATE LINE, and INTERNET SERVICES that you receive in your current service location(s) outside of New York and/or Washington, DC metropolitan area(s). Subject to regulatory approval, the anticipated date for the discontinuance of your service is Wednesday, June 30, 2004.** Any service that we currently provide to you in New York and/or Washington, DC metropolitan area(s) will not be affected by this discontinuance.

**Select a new carrier as soon as possible to avoid any interruption of service.** Please do not delay in arranging for a new service provider, as some carriers may require several weeks to install new services. To help avoid service disruption, please check carefully that all service types you currently have with Winstar (local, long distance, toll free, calling card and/or Internet) are moved to your new carrier. Once you have chosen your new provider, Winstar will work with the carrier you have selected to assist in the transition of your service. Z-Tel Communications, Inc., a nationwide telecommunications provider, has advised us that it would welcome the opportunity to work with our customers to convert their Winstar service to a comparable Z-Tel service. You may contact Z-Tel directly to discuss the services they offer at 1-800-371-3818.

The Federal Communications Commission ("FCC") permits customers to object to discontinuance of their service by a telecommunications provider. As provided in the FCC's rule 47 CFR 63.71:

*The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments within 15 days after receipt of this notification. Address them to the Federal Communications Commission, Washington, D.C. 20554, referencing the Section 63.71 Application of Winstar Communication, LLC. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.*

Winstar appreciates the opportunity we have had to serve you. We are committed to making your service transition as smooth as possible. Please review the attached list of Frequently Asked Questions. If you have any further questions regarding the discontinuance of our services, please contact us at 1-800-778-3757.
