Subject: Docket No. 040407-TC

Hi Jackie. I opened the above docket on May 5th because the company had not responded to my March 29th letter requesting payment and a letter requesting cancellation. Although I was not aware of it, we received the company's letter and payment on May 10th (RAF System shows it was postmarked May 5th, the same day I opened the docket).

I had already completed the CASR (Friday, 5/14) when I received the proof of payment. I will be putting a copy of my file in your box. The docket title will need to be changed to a voluntary cancellation, along with replacing my name with whoever you assign to the docket. I had also scheduled it to file the recommendation on June 17th, so you can change the events and dates to whatever you want, of course.

Let me know if you need me to do anything else. Thanks.

* Tommy,
Please note the
above.
