Re: Review of Tampa Electric Company's waterborne transportation contract with
TECO Transport and associated benchmark; FPSC Docket No. 031033-EI

TRANSMITTAL OF CONFIDENTIAL INFORMATION

Dear Ms. Bayo: 06009-04 06010-04 06011-04 06007-04

This will follow up our May 20, 2004 Notice of Intent to Seek Confidential Classification
of the deposition transcripts and deposition exhibits of Dr. Robert L. Sansom, Dr. Anatoly
Hochstein, Mr. Joann T. Wenle, Mr. Brent Dibner, Mr. Frederick J. Murrell, Ms. Paula Guletsky
and Mr. Martin Duff. That Notice was accompanied by the separate filing on a confidential basis
of a single copy of the deponents' deposition transcripts and exhibits as a confidential document
printed on yellow paper stock. As stated in the Notice of Intent we have gone through and
highlighted those portions of the deposition transcripts and exhibits which actually require
confidential protection.

Enclosed is a single confidential copy of the deposition transcripts and exhibits of the
above-listed witnesses with the confidential information highlighted in yellow. We request that
you return to us the deposition transcripts and exhibits that we initially filed which were copied
on yellow paper stock in exchange for the enclosed highlighted confidential versions.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this
letter and returning same to this writer.

Thank you for your assistance in connection with this matter.

Sincerely,

James D. Beasley
