REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Tampa Electric Company ("Tampa Electric" or "the company"), pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, hereby requests confidential classification of certain information contained in the Errata Sheet to the deposition of Tampa Electric's witness Paula M. Guletsky and stamped "CONFIDENTIAL" (the "Confidential Information"). The Confidential Information is for the reference on page 65, line 9 of Ms. Guletsky's deposition transcript. Attached hereto as Exhibit "A" is a justification for designating the Confidential Information proprietary confidential business information under the above-referenced statute and rule.

1. Subsection 366.093(1), Florida Statutes, provides that any records "found by the Commission to be proprietary confidential business information shall be kept confidential and shall be exempt from s.119.07(1) [requiring disclosure under the Public Records Act]." The proprietary confidential business information includes, but is not limited to:

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms. (Section 366.093(3)(d), Florida Statutes)

2. Proprietary confidential business information also includes:

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the

provider of the information. (Section 366.093(3)(e), Florida Statutes)

3. The Confidential Information falls within the above statutory categories and, thus, constitutes proprietary confidential business information entitled to protection under Section 366.093 and Rule 25-22.006.

4. The material for which confidential classification is sought is intended to be and is treated by Tampa Electric as private and has not been disclosed.

5. The request for confidential classification is intended to serve as Tampa Electric's motion for a protective order pursuant to Rule 25-22.006(6), Florida Administrative Code.

WHEREFORE, Tampa Electric respectfully requests that the Confidential Information set forth in its Errata Sheet to the deposition of Paula M. Guletsky be accorded confidential classification for the reasons set forth above.

Respectfully submitted,

- (1) The information in question contains the proprietary work product of Tampa Electric's consultant, Sargent and Lundy or "S&L". The disclosure of this information could allow duplication of the consultant's work without compensation for the consultant's efforts to gather and update the information and develop methods of analysis. This information is in the nature of a trade secret owned by S&L. It is also in the nature of information relating to competitive interests, the disclosure of which would impair S&L's competitive business interests by diminishing the demand for S&L's proprietary work product. As such, the information in question is entitled to confidential treatment pursuant to Section 366.093 (3)(a) and (e), Florida Statutes.
