PETITION TO INTERVENE
OF
FDN COMMUNICATIONS

Pursuant to Rules 25-22.039 and 28-106.201(2), Florida Administration Code, Florida Digital Network, Inc. d/b/a FDN Communications (“FDN”) files this Petition to Intervene with the Florida Public Service Commission (“Commission”) in the above-referenced docket. In support hereof, FDN states as follows:

- 1. Petitioner’s full name and principal place of business are:

FDN Communications
2301 Lucien Way, Ste. 200
Maitland, FL 32751

- 2. All pleadings, orders, notices and other correspondence with respect to this docket should be addressed to:

Matthew Feil

skassman@mail.fdn.com

- 3. FDN is a duly certified alternative local exchange telecommunications carrier (“ALEC”) in Florida. As such, FDN is subject to the rules, regulations and orders of the

Commission, and those rules, regulations and orders impact FDN's ability to provide service in the state of Florida.

4. The Commission's decision in this proceeding may have a direct impact on all other ALECs in this state, FDN included, since ALECs purchase access to UNEs via Commission-approved interconnection agreements with incumbent carriers. Although FDN's positions/arguments in support of the relief requested may differ somewhat from the petitioners', FDN is similarly situated to petitioners with respect to the need for enforcement of interconnection agreement terms and with respect to the uncertainty created by the D. C. Circuit Court's USTA II ruling and the BellSouth and Verizon reactions to that ruling.

WHEREFORE, FDN requests that the Commission issue an order permitting FDN to intervene in this proceeding, affording FDN party status consistent with its rules, and directing all parties to serve on FDN all filings hereafter made in this case.

Respectfully submitted this 4th day of June, 2004.

s/ Matthew Feil
