Commissioner Rudy Bradley
Florida Public Service Commission
2540 Shumard Oak Boulevard
Tallahassee, FL 32399-0850

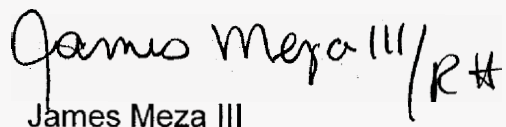

Dear Commissioner Bradley:

I am writing in response to Supra Telecommunications and Information Systems, Inc.'s ("Supra") letter to you dated June 15, 2004.

As an initial matter, Supra's letter must be put into context. Supra is complaining about a one-week extension BellSouth Telecommunications, Inc. ("BellSouth") received from Staff in responding to Staff's discovery and not Supra's. In fact, BellSouth has timely responded to all of Supra's discovery. Thus, BellSouth is at a loss as to why Supra believes that it has any standing to request notice of or even receive BellSouth's discovery responses to Staff.

Supra's request that the parties file requests for unopposed extensions of time to respond to discovery from Staff will only result in the filing of unnecessary motions, oppositions, and issuance of orders. Again, because Supra has not issued the discovery to BellSouth, it has no standing to complain about when BellSouth responds to Staff's discovery or even the substance of BellSouth's responses.

Sincerely,

 James Meza III
