BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

Complaints by Southeastern Utility	Services,)	
Inc. on behalf of various customers,	against)	Docket No. 030623-E
Florida Power & Light Company co	ncerning)	
thermal demand meter error)	Filed: June 21, 2004
	,)	

FLORIDA POWER & LIGHT COMPANY'S MOTION FOR RECONSIDERATION AND CLARIFICATION OF ORDER NO. PSC-04-0591-PCO-EI

Florida Power & Light Company ("FPL"), by and through its undersigned counsel, and pursuant to Rule 25-22.0376, Florida Administrative Code, hereby requests reconsideration and clarification of Order No. PSC-04-0591-PCO-EI issued June 11, 2004 by the Prehearing Officer. In support of this Motion, FPL states as follows:

- On June 11, 2004, the Prehearing Officer issued Order No. PSC-04-0591-PCO-EI dismissing Southeastern Utility Services, Inc. ("SUSI") as a Petitioner in this docket and denying FPL's Motion to Strike.
 - 2. On page 1 of the Order, the Prehearing Officer states in pertinent part:

The Commission opened Docket No. 030623-EI to address complaints made by Southeastern Utility Services, Inc. (SUSI) against Florida Power & Light Company (FPL) on behalf of six commercial retail electric customers connecting 28 individual accounts. The customers who raised issues with their Type IV thermal demand meters were Target Stores, Inc., Dillard's Department Stores, J.C. Penney Corporation, Best Buy Co., Inc., Ocean Properties, Ltd., and The Home Depot, Inc. At the time each of the complaints were made, with the exception of one complaint made by Target on January 24, 2003, for a demand meter with a bent "pusher" point, there was no disagreement that each customer's meter had over-registered demand.

DOCUMENT NUMBER-DATE 06828 JUN 21 3

FPSC-COMMISSION CLERK

3. The purpose of a motion for reconsideration or clarification is to bring to the Commission's attention a point of fact or law which was misapprehended or overlooked by, in this case, the Prehearing Officer. <u>Diamond Cab Company v. King</u>, 146 So.2d 889 (Fla. 1962).

4. FPL requests that the Commission clarify the above-referenced passage from the Prehearing Officer's Order. FPL maintains that a meter test was conducted pursuant to Commission Rule 25-6.052, Florida Administrative Code on the 28 meters originally in this docket, and that many of those meters, including some of the fourteen meters which are still at issue as a result of the protest of the PAA Order, did <u>not</u> over-register demand beyond the prescribed tolerance level set forth in Rule 25-6.052(2)(a), Florida Administrative Code.

WHEREFORE, FPL respectfully requests that the Commission reconsider and clarify Order No. PSC-04-0591-PCO-EI as outlined above.

Respectfully submitted

Kenneth A. Hoffman, Esq. J. Stephen Menton, Esq.
