RE: Docket No. 030593-SU - Application for Amendment of Certificate No. 247-S to Extend Wastewater Service Area in Lee County by North Fort Myers Utility, Inc.

On June 28, 2004, North Fort Myers Utility, Inc. filed a Notice of Voluntary Dismissal of its Application for a certificate amendment in Lee County. Section 2.07(C)(2)(d)4 of the Administrative Procedures Manual states that:

The Division of the Commission Clerk and Administrative Services may administratively close dockets as described below upon the joint recommendation of the OPR division and the Office of the General Counsel.

(4) Other dockets initiated by the filing of a petition, application, notice, complaint or other request in which the applicant, petitioner or complainant seeks to withdraw its initial pleading and staff has determined that there are no pending issues that need to be addressed by the Commission regarding the filing, no request for refund of filing fee has been made, and no agency action has been taken.

Since North Fort Myers Utility, Inc. has withdrawn its initial pleading and no agency action has been taken, this docket should be administratively closed.
