Do not open a docket yet. There is some confusion about this and I've asked David Brown in Fiscal for clarification. I don't believe this company has paid in full for RAFs. I think it probably best to just document in undocketed because I think I will have to contact the company. Thanks.

Paula, I we received a \$50 payment from Interactive Services US, Inc. for 2004 RAFs. A letter attached to the payment record advises the company went into an Assignment for the Benefit of Creditors on 12/8/03 and is no longer in business. How should we proceed?
