Re: Call Processing, Inc.
Notification of Transfer of Control/Ownership

To Whom It May Concern:

Please accept this letter as notification that Call Processing, Inc. ("Call Processing") is transferring control to PaySpot, Inc. ("PaySpot"). Call Processing was authorized to provide long distance telephone services in the State of Florida by Consummating Order dated January 26, 2001, Docket No. 001451-TI.

Pursuant to the transaction, PaySpot will acquire control of Call Processing through the purchase of 100% of the issued and outstanding stock of Call Processing. The company will continue to operate as Call Processing, Inc. and only the underlying ownership of Call Processing will change as a result of this transaction. The transaction will not result in a change in the manner in which Call Processing provides services to its customers, in that it will continue to provide service under the rates, terms and conditions it currently offers to its customers.
