TO: Jeremy Susac, Attorney, Office of General Counsel
FROM: Darren T. Pittman, Regulatory Analyst I, Division of Competitive Markets & Enforcement
RE: Docket No. 040621-TP, BellSouth Petition for Expedited Review of Growth Code Denial by the NeuStar Pooling Administrator for the Miami rate center (Red Road).

On June 28, 2004, BellSouth filed a petition requesting that the Commission overturn NeuStar's decision to deny numbering resources for the Red Road switch (MIAMFLRRDS0) located in the Miami rate center. In accordance with Commission Order PSC-02-0352-PAA-TL, which approved an expedited process for code denials, we have examined the BellSouth petition, along with the confidential supplemental information, and have determined the following:

- 1) The carrier has demonstrated that it has a customer in need of immediate numbering resources;
- 2) The carrier has shown that it will be unable to provide services to a potential customer because of the Pooling Administrator's denial of the numbering resources; and
- 3) A potential customer cannot obtain service from the provider of his/her choice because the carrier does not have the numbers available.

Since the three required criteria of Order PSC-02-0352-PAA-TL have been met, please prepare an administrative Proposed Agency Action (PAA) Order to be issued within seven business days of this memorandum (July 19, 2004) as outlined in the expedited code denial process order. NeuStar should be directed to provide BellSouth the needed (3) 1,000 consecutive number blocks in a NPA-NX8 format to meet a request of a specific customer in the Miami rate center (Red Road). Also, please allow staff assigned to the docket to review the Order before it is issued. If you have any questions, please call Travis Pittman at 413-7050.
