Re: Docket No. 040159-WU: Application for transfer of portion of Certificate No. 582-W by Keen Sales, Rentals and Utilities, Inc. to Sunrise Utilities, LLC, in Polk County.

Dear Ms. Keen:

We have reviewed the application for transfer from Keen filed on February 24, 2004, and the deficiency response filed on May 26, 2004. The application remains deficient pursuant to Chapter 367 Florida Statutes and Rule 25-30.037, Florida Administrative Code (F.A.C.). All deficiencies must be corrected in order for staff to process your application.

Deficiencies

1. Contract. Pursuant to Rule 25-30.037(2)(g) and (h), F.A.C., the application is to contain a copy of the contract between the seller and buyer of the utility. The rule is very specific regarding the minimum requirements of such a contract. The contract did not contain any information as to the disposition of the "customer deposits interest." Please provide an addendum to the contract for Sale and Purchase, signed by the two parties, which addresses the customer deposits interest.
2. Public Interest. Pursuant to Rule 25-30.037(2)(j), F.A.C., the application is to contain a convincing statement as to how the transfer is in the public interest, including a showing of the Buyer's financial ability. Please provide a convincing statement as to why the sale of the system is in the public interest. In addition, the letter from Turnberry Bank does not satisfy the requirement of the showing of the buyer's financial ability. Please provide a copy of the buyer's financial statement which demonstrates buyer's ability to provide service.
3. Noticing. As required by Section 367.045(1)(a), Florida Statutes, and Rule 25-30.030, F.A.C., the utility must provide notice of the application and provide affidavits that the notice was given. The notice must be given to each customer of the utility. The notice must also be given to all cities located in the county, to specific governmental entities and all utilities in the county which are included on the noticing list provided by the Public Service Commission. It appears that neither of these notices have been issued. Please re-notice the customers and the entities on the enclosed noticing list for Polk County. Please submit proper affidavits for the notices and attach a copy of the notice to each affidavit along with a copy of the list of entities receiving the notice. The noticing list and a sample of proper affidavits for the two notices are enclosed. Remember that where the notice states "Notice is

hereby given on month day, year, you must enter the actual date the notices are mailed. Also, be certain that the notice states that "objections must be filed with the Director, Division of the Commission Clerk and Administrative Services." Questions about the notice or the affidavits may be directed to Ms. Jennifer Brubaker at (850) 413-6228 in the Office of the General Counsel.

Other Information Needed

Amanda Chambers. It has come to staff's attention that Ms. Chambers is no longer employed by Keen Sales, Rentals and Utilities, Inc. She was specifically named in the Contract for Sale and Purchase and alluded to in the deficiency response as the manager with eight years of technical experience hired by Mr. Stuart Sheldon to run this utility. Please provide a statement regarding how Ms. Chambers' departure from Keen will impact the contract for transfer and how Mr. Sheldon intends to demonstrate his technical ability to run the utility.

Any mail sent directly to Ms. Clapp will be delayed in being processed. Be sure to file your deficiency response letter as directed below.

The **original and four copies** of the response to the information requested in this letter should be filed with the Commission on or before **August 13, 2004**. When filing the response, please be sure to refer to the docket number and to **direct the response to:**
